Our aims

The overriding [strategic](#) purpose of the TBMH is three-fold:

- (1) to **engage with all schools** in the Tri-borough area, in order to reach all pupils and provide them with access to high-quality music education opportunities.
- (2) to **raise standards** and **support musical progression** for all pupils.
- (3) to ensure a **broad range of outstanding musical opportunities** for pupils, parents and the community.

This is supported by the overarching themes of all TBMH provision, as stated in our Music Strategy: **Inclusive — Exceptional — Inspiring — Progressive — Sustainable**.

In order to better achieve our Strategic Aims the TBMH is looking to secure relationships with **all** schools as **'School Partners'**. This will help clarify the commitment from the TBMH to schools; and from schools to the TBMH. We hope that schools will recognise the support that the TBMH offers to schools and our role in championing school music as well as those that teach it, lead it, and advocate for it.

Our termly CPD programme and our performance events offer schools a range of opportunities to provide depth and breadth of musical learning for pupils and the music workforce. The TBMH is committed to supporting all schools to develop their in-school music provision. Our team of qualified music teachers and professional musicians can help guide, shape and grow the delivery of music in school.
