## Key Areas for Development (TBMH)

The Key Areas for Development (KAfD) of the TBMH have been agreed at governance level by the Strategic Partners and are essential to the continued growth and success of everything the TBMH does. It also reflects the level of complexity of the structural role of the TBMH in delivering a very large remit with a small core team. The Key Areas for Development of the TBMH are:

- 1. School engagement:**
  - to secure and develop relationships at all levels within schools;
- 2. Progression:**
  - to ensure progression of all learners and raise instrumental/vocal standards;
  - to ensure the quality and success of all instrumental/vocal ensembles;
- 3. Access and Inclusion for all children:**
  - to ensure embedded SEN/D engagement and support;
  - to serve all children in challenging circumstances, Alternative Provision and Children Looked After;
- 4. Securing additional funding streams:**
  - to further develop the funding strategy to ensure financial sustainability
- 5. Building service capacity to meet future needs:**
  - to streamline the existing service and ensure increased income generation;
  - to implement additional roles to fulfil and implement new growth areas of the service;
  - to diversify our offer and client base by introducing Adult education/life-long learning; and expanding Early Years Foundation Stage (EYFS) learning programmes;
- 6. Evidence and Evaluation:**
  - to streamline evidence collection, analysis and evaluation of all aspects of service and partner delivery to inform future planning.

To support the KAfD there will also be an additional focus on the role of TBMH in wider cultural learning (e.g. Cultural Education Partnerships); and improvement in Information Technology usage, (e.g. music technology, social media, website etc).
